

# 7492.0035

| NUMBER | DESCRIPTION                          | CHARACTERISTICS                    | CODE       |
|--------|--------------------------------------|------------------------------------|------------|
| 1015   | Compressor                           | Tecumseh TFH2511Z                  | 1CMPTE005  |
| 6015   | Condenser                            | Serie A - T - P - S - SE (Forma 3) | 1CNDC003   |
| 7015   | Condenser motorfan                   | d. 300 mm                          | 1MVTE011   |
| 9515   | Condenser fan grid                   | d. 300 mm                          | 1GRGE011   |
| 11015  | Evaporator                           | Serie A - T - P (Forma 3)          | 1EVPC003   |
| 12015  | Evaporator motorfan                  | d. 300 mm                          | 1MVTE011   |
| 14515  | Evaporator fan grid                  | d. 300 mm                          | 1GRGE010   |
| 17015  | Gas filter                           | DO33 - 3/8 ODS                     | 1FLTR002   |
| 20015  | Defrost solenoid valve               |                                    | 1VLSG002   |
| 22015  | Solenoid valve coil                  | 230V                               | 1BBNG001   |
| 26015  | Drain heater                         | 230V, 7W                           | 1RSCA001   |
| 28015  | Pressure-regulating valve            | 5/8"                               | 1VRPS002   |
| 45015  | Compressor contactor                 | 4KW, 9A, auxiliary 1NO             | 1TLRO001   |
| 82015  | Electronic control instrument        | Dixell XR06CX                      | 1TMES002   |
| 84015  | Room temperature probe               | NTC 2 m                            | 1SNDE002   |
| 86015  | Evaporator temperature probe         | Bipolare verde "ON/OFF"            | 1IBLV001   |
| 98015  | Auxiliary circuit main switch        | Bipolare verde "ON/OFF"            | 1IBLV001   |
| 99015  | Room light switch                    | Bipolare verde "LAMPADA"           | 1IBLV002   |
| 111015 | Auxiliary circuit fuse               | 5 x 20 vetro 6,3A                  | 1FSBV001   |
| 112015 | Room light fuse                      | 5 x 20 vetro 1A                    | 1FSBV002   |
| 113015 | Door heater fuse                     | 5 x 20 vetro 1A                    | 1FSBV002   |
| 116015 | Lamp                                 | E27 230V 60W N60                   | 1LAMP001   |
| 116025 | Lamp holder                          | 60W E27                            | 1PLAF001   |
| 200015 | Unit switchboard                     | Quadro                             | 9ASQDR001V |
| 200115 | Switchboard back protection          |                                    | 7CCOM020V  |
| 204015 | Evaporator left holder               | Serie A - T (Forma 3)              | 7TA03011   |
| 204055 | Evaporator right holder              | Serie A - T (Forma 3)              | 7TA03012   |
| 204125 | Evaporator left side panel           | Serie A - T - P (Forma 3)          | 7TA03013   |
| 204175 | Evaporator right side panel          | Serie A - T - P (Forma 3)          | 7TA03014   |
| 204235 | Evaporator cover                     | Serie A - T (Forma 3-3B)           | 7TA03007   |
| 204345 | Evaporator plastic drain tray        | Serie A - T - P (Forma 3)          | 7TA03009   |
| 204505 | Evaporator fan holder                | Serie A - T - P (Forma 3)          | 7TA03018   |
| 205315 | Evaporator drain pipe (each metre)   | 020 0 13 x 18                      | 1TBRR001   |
| 300015 | Condensing section back              | Serie A - T (Forma 3-3B)           | 7TA03002V  |
| 301025 | Condensing section right side panel  | Serie A - T - S - SE (Forma 3)     | 7TA03004V  |
| 302035 | Condensing section left side panel   | Serie A - T (Forma 3)              | 7TA03005V  |
| 303045 | Condensing section front cover       | Serie A - T (Forma 3-3B) - SE      | 7TA03001V  |
| 303275 | Condensing section cover/ fan holder | Serie A - T - S - SE (Forma 3)     | 7TA03003V  |
| 304015 | Compressor holder                    | Serie A - T - S - SE (Forma 3)     | 7TA03017   |
| 305065 | Switchboard upper front side         |                                    | 7CCOM002   |
| 305015 | Switchboard lower front side         |                                    | 7CCOM008   |
| 504625 | Right "AC" holder                    | Serie A (Forma 3)                  | 7AA03002   |
| 504645 | Left "AC" holder                     | Serie A (Forma 3)                  | 7AA03001   |
| 504685 | Straddle-type angle iron             | Serie A (Forma 3)                  | 7AA03005   |
| 36015  | High pressure switch                 | Minipressostato LP                 | 1PRSF001   |
| 35015  | Low pressure switch                  | Minipressostato HP                 | 1PRSF002   |
| 206555 | Condenser fan cowl                   | d. 300 mm                          | 1BCCG001   |
| 206605 | Evaporator outlet air cowl           | d. 300 mm                          | 1BCCG001   |
